

YOUTH SUMMER THEATER PROGRAM

This summer marks the re-launch of the Youth Summer Theatre program! This program has served as an important artistic opportunity for young, aspiring performers in the Perrysburg community for 25 years. Through participation in this program, students will learn fundamental/advanced skills in the areas of acting, vocal performance, and dance. They will cooperate as part of a larger team and, following weeks of rehearsal and scene study, present a musical to friends and family in the community.
